Problem Solvers Caucus Statement

It is imperative that Congress act in a timely manner to pass funding for the CHIPS for America Act."

Bipartisan Bicameral Letter

"The United States cannot wait to provide these resources over the years ahead."
- Led by Sens. John Cornyn & Mark Warner -

"It is imperative that the U.S. reestablish leadership in the strategically important semiconductor industry."

Rep. Doris Matsui (D-CA)

Bipartisan Auto Letter

"we are sending this letter to reinforce the dire consequence the automotive industry... faces if we fail to advance legislation soon that would fully fund the CHIPS Act"

"We will make serious investments in strengthening the U.S. semiconductor industry to outcompete China."

Sen. Chuck Schumer (D-NY)

House China Task Force

"Congress should pass certain advance semiconductor manufacturing incentives found in the provisions of the bipartisan H.R. 7178, the CHIPS for America Act" - Chaired by Rep. Michael McCaul

New Democrat Coalition

"Increase and secure the supply of semiconductors and microchips and support domestic manufacturing of these critical goods"

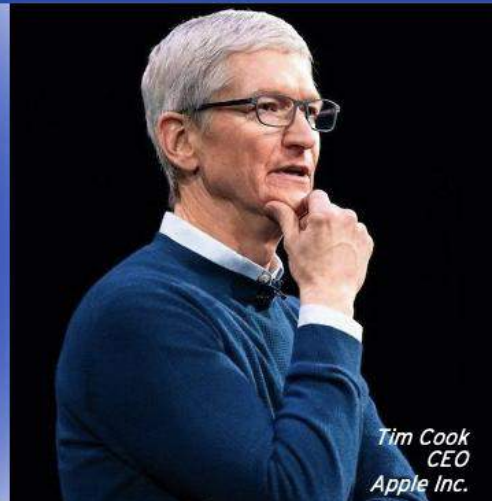

What Industry is Saying: Fund the CHIPS for America Act

*Sundar Pichai
CEO
Alphabet Inc.*

"Semiconductors are essential to virtually all sectors of the economy - including aerospace, automobiles, communications, clean energy, information technology, and medical devices."

Letter by 59 Executives on
CHIPS & FABS -

*Tim Cook
CEO
Apple Inc.*

*Mary T. Barra
Chair and CEO
General Motors Company*

*Michael S. Dell
Chairman and CEO
Dell Technologies*

*James D. Farley, Jr.
President and CEO
Ford Motor Company*

*Thomas Du Plessis
President and CEO
Volkswagen Group of America
Chattanooga Operations, LLC*

"We call on Congress to take prompt action to fund the [CHIPS] for America Act and enact a strengthened version of the [FABS] Act"

Letter by 59 Executives on
CHIPS & FABS

*Geoff Martha
CEO and Chairman
Medtronic*

*Chuck Robbins
Chairman and CEO
Cisco Systems, Inc.*

*Enrique Lores
President and CEO
HP Inc.*

*Satya Nadella
Chairman and CEO
Microsoft*

Broad Industry and Labor Support for CHIPS

- Advanced Medical Technology Assoc.
- Alliance for Automotive Innovation
- American Automotive Policy Council
- Autos Drive America
- Information Technology Industry Council
- IPC
- Motor & Equipment Manufacturers Assoc.

- National Association of Manufacturers
- National Defense Industrial Assoc.
- North America's Building Trades Unions
- SEMI
- Semiconductor Industry Association
- Software & Information Industry Assoc.
- Tech CEO Council

- TechNet
- Telecommunications Industry Assoc.
- Truck & Engine Manufacturers Assoc.
- United Auto Workers
- U.S. Chamber of Commerce
- USTelecom - The Broadband Association

What Governors are Saying: Fund the CHIPS for America Act

"The CHIPS Act funding would also provide a new, powerful tool in our states' economic development toolboxes."

Gov. Gretchen Whitmer
(D-MI)
*Multistate Governors Letter

"Our manufacturers, and our economy, rely on those semiconductors to keep production in motion."

Gov. Eric Holcomb
(R-IN)
*Multistate Governors Letter

Gov. Tony Evers
(D-WI)

Gov. Kay Ivey
(R-AL)

Gov. J. B. Pritzker
(D-IL)

Gov. Andy Beshear
(D-KY)

"We the undersigned Governors urge you to move swiftly to fund the semiconductor reshoring program authorized in the... CHIPS Act."

- Multistate Governors Letter -
MI, WI, AL, IL, KS, CA, NC, PA, KY

Gov. Gavin Newsom
(D-CA)

"It is imperative for industries across Ohio and the nation that Congress reach final agreement on the CHIPS for America Act whether as part of the U.S. Innovation and Competition Act (USICA), S. 1260 or another vehicle."

Gov. Mike DeWine
(R-OH)

What the **Administration** is Saying: Fund the **CHIPS for America Act**

"Chips, like the one I have here - these chips, these wafers, are batteries, broadband; it's all infrastructure. This is infrastructure."

- President Joe Biden -

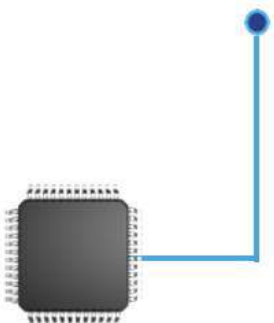

"Semiconductors underpin our entire economy, and the demand for semiconductors will only continue to increase. The U.S. must invest in its domestic manufacturing and R&D capabilities"

Commerce Sec. Gina Raimondo

"The Biden-Harris Administration has been working around the clock with Congress, our allies and partners, and the private sector to generate additional semiconductor manufacturing capacity"

National Economic Council

"President Biden is calling for new incentives... to encourage the production of designated critical materials such as semiconductors."

*Treasury
Sec. Janet Yellen*

What National Security Leaders are Saying: Fund the CHIPS for America Act

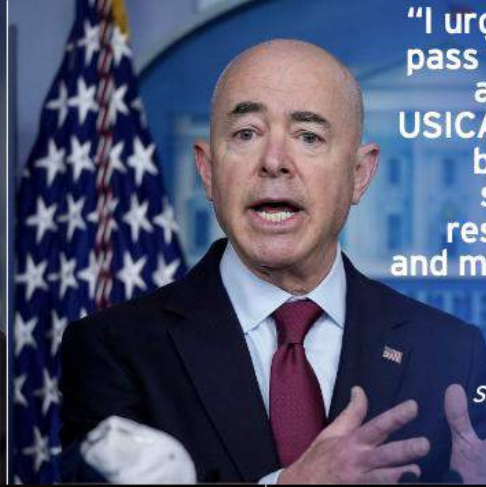

"Semiconductors could not be more foundational to our modern economy and to our innovation base, and the CHIPS Act is crucial for re-establishing U.S. semiconductor leadership and supply chain security."

*National Security Advisor
Jake Sullivan*

"I urge Congress to pass the CHIPS Act as a part of the USICA legislation to boost domestic semiconductor research, design, and manufacturing."

*Homeland Security
Sec. Alejandro Mayorkas*

*(Ret.) Gen. Keith Alexander
Former Director, National Security*

*John Brennan
Former Director, Central Intelligence Agency*

*Michèle Flournoy
Former Under Secretary of Defense for Policy*

*Matthew Pottinger
Former Deputy National Security Advisor*

"Fund the CHIPS for America Act to ensure America continues to lead the world in microelectronics technologies."

*Letter by National Security
Leaders*

*Eric Schmidt
Commissioner, National Security Commission
on Artificial Intelligence*

*Robert Cardillo
Former Director, National Geospatial
Intelligence Agency*

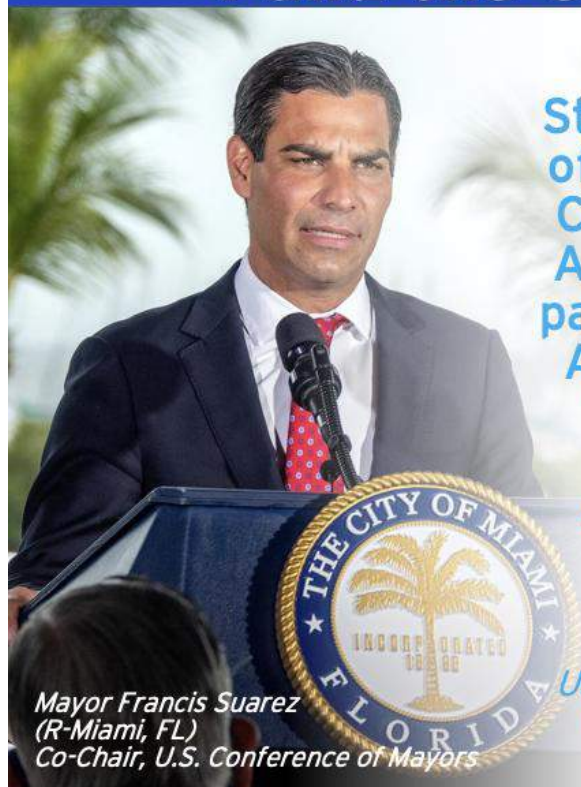

*Leon Panetta
Former Secretary of Defense
Former Director, Central Intelligence Agency*

*Stephen Hadley
Former National Security Advisor*

What the **Mayors** are Saying: Fund the **CHIPS for America Act**

"The United States Conference of Mayors calls on Congress and the Administration to pass the CHIPS for America Act and to continue to support the semiconductor workforce"

*Mayor Francis Suarez
(R-Miami, FL)
Co-Chair, U.S. Conference of Mayors*

*United States Conference
of Mayors Resolution*

*Mayor Hillary Schieve
(I-Reno, NV)
Co-Chair, U.S. Conference of Mayors*

"[T]he CHIPS for America Act is critically important to secure the future of this industry in the United States"

*Mayor Kate Gallego
(D-Phoenix, AZ)*
